

CAREER BOOSTER

BRING YOUR LEADERS TO THE NEXT LEVEL

NextUp Career Booster is a unique one-day workshop for NextUp partner organizations designed for women and men who want to build their leadership skills and push their career to the next level. This workshop utilizes the robust emotional intelligence insights offered by the custom NextUp EQi 2.0 assessment.

The workshop may be customized to include a dedicated company executive question and answer session, or an executive panel discussion, which can be assembled by NextUp upon request.

Who Should Attend?

VPs, Directors, individual contributors and emerging leaders who want to improve their emotional intelligence, strengthen their leadership skills and advance their careers. NextUp Career Booster is an excellent precursor to NextUp Rising Stars or follow-up program for mid-level leaders.

▶▶ WORKSHOP OBJECTIVES

- Build confidence and improve professional effectiveness.
- Create greater awareness via self-assessment of leadership style, emotional intelligence and areas for development.
- Develop strategies for maximizing job-related strengths, improving workplace interactions and boosting confidence to pursue career goals.
- Gain a network of industry peers to help navigate work/life challenges and continue developing as a leader.

	Workshop Availability Virtual or in-person workshop is available year-round Lead Time Initial planning should begin 6 weeks before targeted start time		Cost \$10,470 for a group of 24 participants \$349 per additional participant
