

## Request to Attend SOAR 2022

Ready to attend NextUp SOAR, but need help getting support from your manager or training department? Use or modify this message however you like!

---

**SUBJECT:** Request to Enroll in NextUp SOAR

To whom it may concern,

I'm ready for the next stage of my career and power up my leadership skills to better serve our organization, and I would like to attend NextUp SOAR to get the support and training I need to do just that.

**NextUp SOAR** is a 3-month virtual learning program held August 15 - November 17, 2022. NextUp has a proven track record for leadership development and networking that spans over 20 years. This program is developed in research and integrates contemporary leadership topics that are top of mind for leaders and organizations. Participating in SOAR will support my growth with hours of individual leadership coaching, group networking, business simulation and leadership development sessions, a customized 180 assessment and Hogan assessment.

**NextUp SOAR will give me a better awareness of my strengths and areas for development, plus an expanded network of industry peers.**

Tuition for NextUp SOAR is \$4,995 and registration is open until July 7<sup>th</sup>. The investment for this development program is far less than other comparable non-industry specific programs for my leadership level.

With your permission, I'd like to secure a seat and help provide a stronger return on investment as a more effective leader.

Best regards,

Your Name

P.S. Please review the one-page [SOAR Fact Sheet](#) for more info.
