SUBJECT: Request to Enroll in NextUp Directors Program

Dear Supervisor,

I'm ready for the next stage of my career and to power up my leadership skills to better serve our organization, and I would like to attend NextUp Directors Program to get the support and training I need to do just that.

NextUp Directors Program is a 3-month virtual learning program held June 3- July 22 and includes an in-person conference (attendance required) held June 17-18 at the Omni Barton Creek Resort & Spa in Austin, TX. NextUp has a proven track record for leadership development and networking that spans over 20 years. This program is developed in research and integrates contemporary leadership topics that are top of mind for leaders and organizations.

Participating in this leadership program will support my growth with hours of individual leadership coaching, group networking, business simulation and leadership development sessions, a customized EQ-i 2.0 360 assessment and Hogan assessment.

NextUp Directors Program will give me a better awareness of my strengths and areas for development, plus an expanded network of industry peers.

Tuition for the leadership program is \$4,995 and registration is open until May 27th. The investment for this development program is far less than other comparable non-industry specific programs for my leadership level.

With your permission, I'd like to secure a seat and help provide a stronger return on investment as a more effective leader.

Best regards,
